Approved Protection Systems offers CPR, AED and First Aid classes for business and organisations. We have partnered with Michael Phelps, Training Officer for the largest public safety agency in the U.S. Michael has 28 years of experience in the Fire and EMS fields, including 4 lives saved as a result of performing CPR.

Classes

Classes can be held either at Approved Protection Systems classroom or at your place of employment. Minimum class size is 10, maximum class size is 20.

Heartsaver CPR AED

Heartsaver® CPR AED is a classroom, video-based, instructor-led course that teaches adult CPR and AED use, as well as how to relieve choking on an adult. This course teaches skills with AHA's research-proven Practice-While-Watching (PWW) technique, which allows instructors to observe the students, provide feedback and guide the students' learning of skills. This course is for anyone with limited or no medical training who needs a course completion card in CPR and AED use to meet job, regulatory or other requirements.

Heartsaver First Aid CPR AED

Heartsaver® First Aid CPR AED is a classroom, video-based, instructor-led course that teaches students critical skills needed to respond to and manage a first aid, choking or sudden cardiac arrest emergency in the first few minutes until emergency medical services (EMS) arrives. Students learn skills such as how to treat bleeding, sprains, broken bones, shock and other first aid emergencies. This course also teaches adult CPR and AED use. This course is for anyone with limited or no medical training who needs a course completion card in first aid, CPR and AED use to meet job, regulatory or other requirements.
